Pumpkin Spice Pedicure

Your feet and legs will be gently exfoliated and softened using an all-natural Pumpkin Pie Sugar Scrub. The scrub is composed of organic cane sugar and pumpkin seed oil to leave your skin smooth and replenished with moisture. Notes of pumpkin, nutmeg and cinnamon will envelope you during this relaxing and luxurious pedicure. The treatment includes a foot and leg massage using a pumpkin scented shea butter lotion. Then cuticles, nails and calluses are tended to and a polish of your choice is applied. **50 minutes \$65**

Pumpkin Spice Shea Butter Body Wrap

First, you'll enjoy a gentle full body exfoliation using Pure's sugar and spice body polish. Next, a warm all-natural pumpkin and shea butter body masque will be applied. The pumpkin is high in Vitamin A known for skin healing benefits and vitamin C, an anti-oxidant. Pumpkin also soothes, moisturizes and acts as a carrier, assisting the shea butter's absorption. Then, you'll be placed in a warm and relaxing full body wrap that will leave your skin feeling smooth and supple. Includes a scalp and foot massage.
